Fees for Clinical and Forensic Services

My fees are consistent with governmental guidelines suggested by the Health Care Financing Administration (HCFA), reimbursement schedules of most insurance companies, and with those charged by other local psychologists. My contract with individual insurance companies may require me work within their fee structure. Charges may be adjusted to account for these differences.

Service	Description	Fee
<ul style="list-style-type: none">• Initial Diagnostic Interview<ul style="list-style-type: none">○ CPT code 90801	Our initial 50-minute visit, including setting up an account, filling out insurance papers and treatment plans, and any initial diagnostic testing.	\$165.00
